Town Treasurer Francis A. Coughlin has informed the NEWS that all 1955 and prior Real Estate, Personal Property and Poll taxes had been settled before the close of business on December 31, 1956.

Coughlin further reported that the balance of 1956 taxes in those categories outstanding on the same date was only \$115,277.34 out of the \$5,393,559.70 committed during the year — a collection percentage over 97.8 percent on current year's taxes!

"Arlington citizens may be proud of their consistent record of prompt payment of taxes which has always enabled the town to market its issues of municipal bonds and notes at a very favorable interest rate," Coughlin stated.

A Letter To The Lucky  
Young Mothers Of Today

Dear Young Mothers of Arlington:

How lucky you are! Your children are safe and you are free from the haunting fear of Polio, a fear that spoiled the best months of the year for the numberless generations of mothers who came before you.

We mothers of older children envy you that freedom from panic at the first sign of a child's illness. We envy you the freedom with which you can take your little ones to the beach, to the playgrounds, on trips near or far, or even to birthday parties, without the specter of Polio.

And to those of us to whom that fear became a reality and have lived through the long anxious days and nights of the dreaded disease, and the tedious months of convalescence, can only say — you should Thank God and the March of Dimes that it will never happen to you!

You can also thank the unselfish and tireless workers of your March of Dimes organization who have collected the money that not only cared for the unfortunate victims, but provided the money for research that has given you

children immunity through the Salk vaccine.

As Mothers' March Co-Chairman, I have had numerous faithful mothers who have worked for as long as ten years with me on this campaign for the purpose of achieving victory over polio. We feel we have done the major jobs and we are tired. We need help to finish the jobs—to pay off existing debts and insure care for those still suffering the effects of the disease.

Will you young mothers — and mothers-to-be—you who will reap the major benefits from these hard years of campaigning, — PLEASE VOLUNTEER, and help us finish the job up right! I feel sure many of you will. It is such a nice way to show your gratitude for the health and safety of your children — and your own peace of mind.

Thank you,

(Signed) Marion McKeever,  
Co-Chairman, Mothers' March  
U. S. Don't forget to get your own polio shots!

## No Sneak Storm

Although many called the 10 inch snowfall of last Monday "a sneak storm" the Town of Arlington was well-prepared because of its weather service. Arlington is informed of weather conditions by the Northeast Weather Service in Lexington.

Last Monday's storm prediction was not far off according to the 5:10 p.m. forecast Sunday night. At that time 2-4 or more inches of dry snow was predicted which would continue for from 12-18 hours. Winds were forecast as coming from the north-northeast with daytime temperatures Monday reaching a high of 28 degrees.

Captain Injured  
Fighting Fire

An Arlington fire captain received an injured back and two fire fighters received a soaking when they slipped in a coal pit into about five feet of water while battling a smoldering fire which caused extensive damage at the Anderson Window Company, Inc., 432 Massachusetts Avenue, early Monday night.

Captain George Kenney was treated at Symmes, after he along with fire fighters John Day and David Kennedy fell into the pit. The fire according to Fire Chief

Town Shovels Out Again  
Tab Could Reach \$15,000

A snow storm which could eventually cost the Town of Arlington up to \$15,000 struck the area early Monday and before it eased out to sea in flurries late Monday night dumped some ten inches of new snow on the already snow-laden community. Slightly deeper amounts were reported in the higher sections of the Town where drifting was common.

Up until Monday at midnight, storm costs had risen to \$6,176.38 with snow removal along Massachusetts Avenue not yet started. The late December storm which was not cleared until 1957 cost the Town a total of \$13,500 and that storm was not as severe as the one Monday.

Town Manager Edward C. Monahan said Tuesday morning at his weekly press conference that he "just didn't dare to estimate" the cost of snow clearance and removal at that time.

## Four Inch Forecast

Sanding trucks which have been operating daily because of the severe icing conditions of roads over the last week were kept on duty Sunday night after the forecast of snow came into the community for the storm that was scheduled to arrive between 11 p.m. Sunday and 1 a.m. Monday and deposit between 2-4 inches of snow.

By 4 a.m. Monday morning three inches of snow was on the ground and it was snowing hard. Four Walters snow fighters were sent out at that time to combat the storm; at five a.m. all Town equipment was out and at 6 a.m. hired equipment was sent to work.

## Arlington Rules GBI Roof After Win Over Cam. Latin

Arlington high school's GBI hockey team moved into undisputed possession of first place Saturday afternoon by blanking the mayor-school committeeman coached Cambridge Latin team 3-0 at the Boston Arena.

The game was decided with less than two and one half minutes gone in the opening period as Arlington jumped out into a 2-0 lead. The winners added another marker in the third period to clinch the verdict.

The decision was gained against a team co-coached by Mayor Edward J. Sullivan and School Committeeman John B. Sullivan, ably assisted. The City officials were forced to step into the breach after the appointments of regular coaches along with appointments of several other teachers had been held up by an injunction earlier this week.

### NOT RELATED

The two Sullivans not related, were permitted to bring experts along to assist them with their task.

The win for Arlington coupled with a Belmont tie moved the local squad into first place all alone for the first time this year, leading both Melrose and Belmont, early season favorites.

Belmont dropped to second place one point behind the league leaders after being held to a 1-1 tie by Melrose. This marked the second week in succession that powerful Melrose had not won a game.

Previously, they had won two and lost one.

Newton, which had walloped hapless Rindge, lost to Arlington, and then edged Melrose, held onto a fourth place tie with Cambridge Latin, as it too went down to defeat at the hands of Stoneham 3-2.

### CRONIN SCORES TWO

Captain Gerry Cronin sent the Arlington team out front with a goal at 0:34 of the opening period and less than two minutes later he added a second marker. Limerick got an assist on the first goal, but the second was an unassisted effort.

The final marker of the contest was scored by Bowser at 6:39 of the second period.

By scoring three goals in the game Arlington increased its total goal lead to five over Newton. The Spy Ponders have now tallied 25 times in four games, while Newton has tallied 20 in a like number. Newton scored 15 goals against Rindge, Arlington tallied 11 against the same team.

## Marks 10th Year With N.Y. Mutual

Foster S. Boothby, 10 Oldham road, Arlington, manager of the Mutual of New York agency located at 10 Providence street, Boston, celebrated his tenth year of service with the company December 30.

He established himself as a leading underwriter, qualifying for company honor groups, and was advanced to assistant agency manager in 1947. In 1950 Mr. Boothby was promoted to a post at the home office in New York City. Two years later he was advanced again, to agency manager in New York. Mr. Boothby transferred to Boston as manager in May, 1954.

### Minister's Exchange At Universalist

Outstanding trends and developments in the world of organized religion during the past year formed the sermon material last Sunday at the Universalist Church. The sermon, delivered by the Pastor, the Rev. George J. W. Pennington, was entitled "The Religious News of 1956." Describing events that occurred in the world at large that had religious significance, the minister concluded his sermon by a presentation of concerns directly related to the local community. These local matters considered were the house calling of Mormon elders, the proposed eased time religious education program in Arlington, and the matter of teen-agers "going steady."

Announcement was made that this coming Sunday, January 13, will be observed as Ministers' Exchange Sunday, sponsored by the Arlington Ministers' Association, and that the Rev. Francis C. Thompson, D.D., pastor of the First Baptist Church will be the guest minister. Rev. Mr. Pennington will preach at the 8:30 and 10:45 a.m. services at the Heights Methodist Church. This coming Sunday, the Junior Choir will supplement the ministry of music of the Chancel Choir, under the direction of Mr. Philip C. Young.

## For Your Benefit

The tremendous task has started again in our community, the task of listing every resident in the town twenty years or older.

The annual project started last week when twenty-eight hearty souls braved the elements to start what will be in a period of some weeks a complete and accurate compilation of statistics of vital importance.

Of vital importance inasmuch as they constitute the only official records of legal residence in the Town of Arlington.

Failure to be listed in this annual listing may not seem to be important to some. In fact there are those who may feel they are "getting away with something" by not being true listed.

However, serious consequences may befall those who for any reason do not give the information to the assistant registrars of voters now making the rounds.

Failure to be true listed can cause those affected to suffer loss of voting rights or cause the inability to obtain an official record of legal residence to establish eligibility for veterans' benefits, old age assistance, social security, employment in Federal or State Civil Service, and for many other purposes for which such a record may be required.

Why not be cooperative as most are and give the asked-for information to the registrars when they come to your home in the near future. Their job is a difficult one and made even more so by those who are difficult about the whole situation.

Why not be cooperative and have all the necessary information available when they ring the bell. All they ask is your name, sex, age, occupation, nationality, if not a citizen, residence January 1, 1957, residence January 1, 1956, number of dogs owned, and name of owner or keeper.

The assistance you give to help the work continue to its completion speedily and satisfactorily is for your own benefit.

## TOWN HALL Press Conference

### Who Adopted It?

Three Arlington residents have been chosen for jury duty at the Cambridge Court beginning February 4. Included are: George F. Ward, 14 Trowbridge street; Joseph Shea, 32 Peirce street; and Raymond B. Pyne, 98 Grafton street.

Tuesday night, about 7:30 P.M. one of the Town Hall custodians, cleaning up, placed a new resistor-type radio he had just purchased, on top of his large waste basket.

He had to make a phone call. Within a very few minutes he came back to the upper corridor of the Town Hall to find his hard-earned new radio had vanished.

A search of the Hall and corridors revealed nothing. A hearing on streets had just been concluded while the custodian was phoning. Those attending had left.

Perhaps someone from that hearing thought the radio, perched on top of the large basket, was rubbish and proceeded to adopt it. If so, the custodian, who can ill afford to buy another radio, would appreciate it being left in the Selectmen's office, with no questions asked.

Mrs. Ross of the Ross Hair-Styling Salon of Winchester will be the guest speaker at the Locke school PTA meeting, January 10, at 12 noon in the Locke auditorium.

His subject will be "Restyling Yourself—A Midwinter Lift". Mrs. Francis Peters, Mrs. C. M. Brenneke and Mrs. Parker Smith will model coiffures by the Ross Salon.

Loading operations started Tuesday with four snow loaders going into action in the Heights, the Center, and East Arlington. Five trucks were operating with each loader. Town employees are working only an eight hour day.

### CHRISTIAN SCIENCE

The answer to mankind's great need of purity and regeneration will be emphasized at Christian Science services this Sunday.

Keynoting the Lesson-Sermon on "Sacrament" is the Golden Text from Psalms (24:3, 4): "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (241: 23-27): "One's aim, a point beyond faith, should be to find the foot-steps of Truth, the way to health and holiness. We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity."

### Arlington Takes 46-31 Win In Second MET Track Meet

Arlington high school was tied for third place in Division II of the MET Track Loop after action last weekend when the locals beat North Quincy 46-31 for its initial win of the season after dropping the opener.

The locals took first place in all but two events, the hurdles and the shot put.

Jerry Graci of the local squad won the mile in 5:12.6 with Donald Buckley of North Quincy finishing second and Ron Cavanaugh of North finishing third.

Bob Gaza of Arlington won the 300 in 38.5 with Paul Bicknell of Arlington finishing second and Tom Kelly of North third.

Stanley Masters of Arlington beat out North's Ron Coleman and Ken Rae in the 600; the time was

1:26.8. Ralph Frazier of North won the shotput with a toss of 36 feet 1 inch; Newton Marshall of Arlington was second and Tom Flanagan of North third.

Peter Freyer of Arlington beat three North Quincy boys in the high jump. Freyer's leap was 5 feet 1 inch. Finishing second were James Olsen, Robert Huber, and Jim Kenney of North.

Tony Renaccio of Arlington nipped team-mate Stan Hutchinson and North's Arthur Whittum in the 1000; time was 2:44.8.

Jim Kenney of North beat out team-mate Tom Flanagan for the hurdles win; Dave Dweley of Arlington finished third; time was 6:7.

Fred Buckley of Arlington won the 50 in 6:0 with George Doring of North finishing second and Peter Gustafson and Bob Golden of Arlington finishing third spot.

The locals also won the relay in 2:13.3. The winning team was made up of Fred Buckley, Paul Bicknell, William Norton, and Bob Gaza.

### Hoopmen Beat Latin, Bow To Brookline Five

Three foul shots by Jay Donovan in overtime enabled the Arlington high school basketball team to upset highly touted Cambridge Latin last week 43-42. The three shots by the Arlington center capped a comeback drive by the locals which saw them outscore the Cambridge team 14-6 in the final period and then 3-2 in the overtime session.

The Arlington team trailed 21-17 at halftime and 34-26 at the end of three periods before catching fire in the final stanza.

Donovan hit 6 times from the floor and added 4 foul shots for a total of 16 points while Captain Charlie Pigott added 5 buckets from the floor and two from the foul line for 12 points. Pigott went out of the contest on five fouls.

Sullivan with 16 points was tops for the losers and guard Genneri chipped in with 10.

Brookline Scores Early

Meanwhile, the locals were outscored 21-9 by Brookline in the first period and never were able to catch up going down to a 56-44 defeat in another contest last week. The Arlington boys played the winners to a 35-35 standstill over the final three stanzas but to no avail.

Brookline led 36-24 at the end of the half and 48-32 at the end of three periods. Arlington outscored the winners 12-8 in the final session.

Only Mattola filling in after Donovan had gone out on fouls was able to score in the double figures for the losers. He tallied three baskets and added four foul shots for 10 points.

Brookline's big 6 foot 3 inch center McNulty scored 10 times from the floor and added another 11 baskets from the foul line for 31 points. Captain Carter at the left guard spot tallied 4 baskets from the floor and added another 2 from the foul line for 10 points.

### JV's Whip Latin, Bow To Brookline

The Arlington high school junior varsity basketball team paced by Lind and Sefton topped the Cambridge Latin team last week 38-30 and in another game last week went down to a 41-24 defeat at the hands of Brookline.

The win over Latin was a costly one however, as right forward Freeman was sidelined for three weeks with a bad ankle.

Lind came up with seven baskets from the floor and added one free throw while Jack Sefton hit four times from the floor to account for 23 of the locals' 38 points. Cinelli with 8 points was tops for the losers.

The defeat at the hands of Brookline was a story of Arlington not being able to hit from the free throw line.

Although they did pick up 14 of their 24 points from the foul line, the locals missed 29 times from the line. Mahoney who was top scorer for the losers with 9 points, seven from the free throw line, missed 18 other foul throws. He hit once from the floor as he was continually drawing fouls as he went in for a shot.

Meanwhile 11 Brookline players went into action with right forward Ruth scoring 12 points to lead the way.

## Secondary Schools Hold Open House

Arlington's secondary schools are holding open house for parents, to give them the opportunity to discuss with teachers their children's problems.

At the high school, report cards went out earlier this week, and parents are invited to visit the school next Monday evening, Jan. 14, from 7 to 9, for conferences with the teachers. Members of the

student council will serve as guides.

Junior High West held an open house session yesterday afternoon, and will hold another this afternoon from 2 to 3. Junior High East will welcome parents this afternoon from 2:30 to 4.

Parents who find it impossible to attend these open house sessions may, of course, consult with the teachers at other times by appointment.

Three Senior Finalists for Scholarships

STANLEY MASTERS

JOHN OTTOSON

ARNOLD BRADFORD

Three Arlington High seniors have been named as finalists in the National Merit Scholarship competition, it is announced by Principal Charles H. Downs. These local students are among the 7,992 highest scorers, representing 3,208 high schools, on a national college aptitude examination given to 162,000 students from 12,500 high schools.

Finalists from Arlington high are John Ottoson, son of Mr. and Mrs. Henry Ottoson of 370 Gray street, Stanley Masters, son of Mr. and Mrs. Malcolm Masters of 18 Vennor road, and Arnold Bradford, son of Mr. and Mrs. Leonard Bradford of 10 Vennor road. They now face a stiff three hour College Board examination on January 12, plus intensive screening of their leadership and extra-curricular activities.

Scholarships At Stake

At stake are more than 700 four-year scholarships, many of them sponsored by business and industrial concerns. Included are 100 Sears Roebuck Foundation scholarships and nationwide programs sponsored by such companies as Pittsburgh Plate Glass, F. W. Woolworth, Standard Oil of Indiana, International Nickel and others.

Last year, David Bradford of 331 Mystic street, a member of the graduating class at Arlington high, was one of the final winners.

At least 7,000 of the finalists are expected to survive the January 12 test, and the final winners will then be chosen by an evaluations committee on the basis of the character and other accomplishments. About April 25 the fortunate 700 will become Merit Scholars of 1957. Runners-up will receive Certificates of Merit and all colleges will be given their names, so that practically all will receive scholarships of some kind.

The 700 winners will choose the colleges they will attend, and the scholarships will vary according to need, from \$100 a year the minimum honorarium, to \$2,200 a year or more. In addition, the colleges chosen by the Merit Scholars will receive grants averaging \$2,000 (Over the four years) to help defray the expense of educating the students.

Program in 2nd Year

The Merit Scholarship Program is now in its second year. It was established in 1955 through basic grants of \$20,500,000 from the Ford Foundation and the Carnegie Corporation of New York. The National Science Foundation and the Old Dominion Foundation have given funds for research work. In the first year, 556 Merit Scholars were named, including David Bradford. They are now all freshmen in 160 different colleges.

The program was designed to find the students in the nation most able to benefit from a college education, regardless of means. Once discovered, the students are supported in college by funds provided by business and industrial concerns, professional societies and individuals. Some 23 such groups financed Merit Scholars in 1956, and over 40 business organizations plan to do so in 1957.

The competition is open to any public, private or parochial school senior in the country. Today's 7,000 finalists represent the top one half of one percent of the 1957 graduating classes.

To Attend Amherst

Masters plans to attend Amherst College on the cooperative MIT plan, wherein he will receive degrees from both schools, and major in chemical engineering. He is a member of the track team, the Gilbert and Sullivan Club, Allied Youth, the Yearbook Committee, is treasurer of the Library Corps and president of the Stamp Club. He also is a laboratory assistant in the science department. Outside of school he is an Eagle Scout, serves as junior assistant Scoutmaster, is a senior crew leader in the Arlington Explorer Scouts, and is a member of DeMolay.

Bradford also plans to attend Amherst College under the cooperative MIT plan, majoring in aeronautical engineering. He is a member of the Chess Club and the Chronicle Staff. His outside activities include serving as president of the Arlington Protestant Youth Council and of the Youth Fellowship at his own church. He also is active in DeMolay.

FOOTSAVING EDUCATION

Herb Mason, owner of Mason's Shoes, Arlington Center, will foot health be improved by talking about it?

In a way, yes. I would not say that mere talk has reduced the death rate caused by tuberculosis, but I do believe that the educational program of the Tuberculosis Association has saved many lives by unrooting the old custom of labeling tuberculars "consumptives" and shutting them up to die.

Talk will not cure cancer either but discussing early signs of the disease will lead to many early diagnoses and cures.

I believe that this decade will be known in health education history as the most productive in foot health thinking in three hundred years because modern young parents are studying the subject and discussing what they read. Bunions, hammer toes, corns, callouses and even a large percentage of weak-foot are rooted in ignorance and ignorance cannot withstand the light of intelligent discussion.

Bomb Scare

The bomb scare has spread to Arlington. Late in the afternoon on January 3, a party not giving a name reported that a bomb would explode in the Heights Library in 10 minutes.

Two days later a telephone call was received from an unknown party stating that the Town Hall would be blown up in a half hour.
